

PROJECT REPORT

TRODUCTIONIN

When we talk about human resources in a business situation it means the workforce, i.e., the employees of a company and what skills and energy they bring . This includes any ideas, creativity, knowledge, and talents that employees bring with them and use to help the organization be successful.

- 1. Introduce yourself by stating your full name, educational background, and personal overview.**
- 2. Then, continue by giving an overview of your previous experience and achievements**

Human resources (HR) is the set of people who make up the workforce of an organization, business sector, industry, or economy. A narrower concept is human .
